

EffectiveThesis.org - **Activities** Since 2024

1. 3 small-scale **student research groups piloted**, including one focused on nuclear developments composed of students that were at ISODARCO 2024, a conference on nuclear risks.
2. Launch of the **new website** on SquareSpace
3. **Growth** of our Slack workspace by **> 600 students in the past year.**
4. Collaboration with **UK Student/Young Pugwash** at the **2024 Munich Security Conference side event.**
5. **Completed student theses**, such as Tao Burga's work at Brown University on risks of AI-assisted nuclear decision-making.

EffectiveThesis.org - Road Ahead

1. **Christine Tan, new director**, christine@EffectiveThesis.org
2. To keep up to date, **visit our website & [sign up for our newsletter](#)**.
3. We'll be launching **three exciting initiatives**:
 - a. **Effective Thesis Pledge** – A platform where students can publicly commit to a high-impact thesis and join a supportive global community.
 - b. The Effective Thesis **Co-Lab Fellowship Program** – An 8-week program designed to support students in developing impactful theses, providing the resources and mentorship needed to make a positive impact.
 - c. **1-1 Mentorship Pairing Service** – A personalized service to connect students with mentors, helping to further their thesis development and career path
