## Dear Esteemed Guests,

We are delighted to invite you to the **World Future Policy Award Ceremony 2024**.

The Award, hosted by the **World Future Council**, in partnership with the **Geneva Centre for Security Policy (GCSP)**, the **Inter-Parliamentary Union (IPU)**, and the **Basel Peace Office**, is the world's foremost policy prize.

We annually recognise exemplary policies that contribute to sustainable development and well-being for present and future generations. This year, our theme is **'Peace and Future Generations'**, focusing on the critical need for innovative policies that prevent conflict and promote a culture of peace.

From 47 nominations across 29 countries, our international expert jury selected 12 outstanding finalists. We will reveal and **celebrate the winning policies** at the ceremony, followed by a **reception** at the same venue.

We sincerely hope you will be able to join us for this meaningful occasion. Your attendance would do much to signify the importance of peace and future generations policies, and we would be honoured by your presence.
