-  Neshan Gunasekera
-  Maksym Popov (*invited*)
-  Jennifer Trahan
-  Kyra Wigard

Moderators

-  Rebecca Shoot
-  Alyn Ware

Join us for a roundtable breakfast discussion!

The ICJ and ICC play key roles in promoting peace and the rule of law—resolving state disputes and prosecuting atrocity crimes, respectively. Despite their different jurisdictions, they often address similar global issues. This roundtable will explore how to enhance their effectiveness through better communication, consistent legal application, and broader participation. The event is part of the *LAW not War* project and the *IMPACT Coalition on International Judicial Institutions*.
